It's time this litigation ends, time for statue of limitations has expired no matter how many times voices changes its name. Everyone who challenge the Rancheria are presently enjoying the benefits denied the Indians.

Response:

The commenter supports the Interchange Project and the hotel/casino. The comment is noted.

My concern is with asbestos.			
I want to make sure that			
testing will take place at all times			
during construction of the casino/off ramp.			
(Air sampling consistent with what was at			
Oak Ridge High School)

No name and address given

My concern is with asbestos. I want to make sure that testing will take place at all times during construction of the casino/off ramp. (Air sampling consistent with what was at Oak Ridge High School)

Response:

The commenter is concerned about asbestos emissions. The 2002 Final EIR addresses this issue, as does the Supplemental EIR. Please see 2002 Final EIR at Response 25-1, and Response 2-20, above, regarding asbestos mitigation.
